

Harper Audio audio book downloads

HarperCollinsPublishers is one of the world's leading English-language publishers, with strengths in literary and commercial fiction, narrative nonfiction, business, children's, mystery, romance, and religious books.

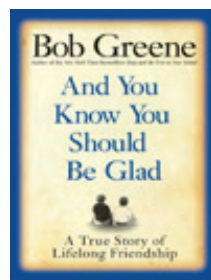

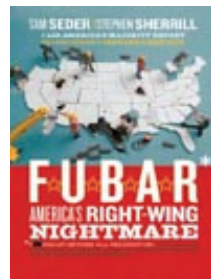

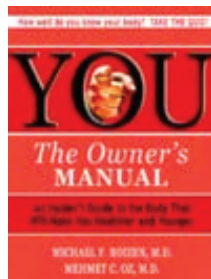

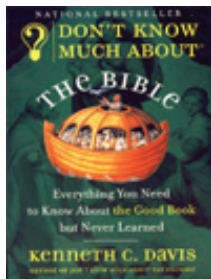

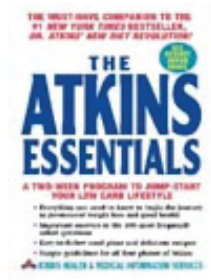

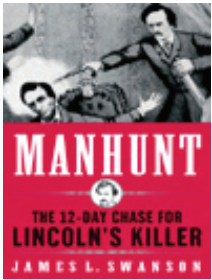

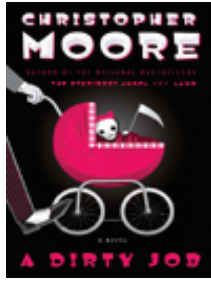

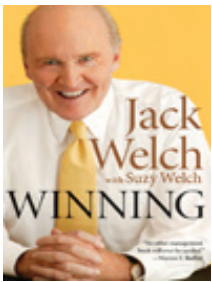

A large percentage of HarperCollins titles -- including its many *New York Times* bestsellers -- are available as eBooks and downloadable audio books, in multiple formats. New titles are added every day!

To place an order for your library, log in to www.contentreserve.com. To learn more about HarperCollins, go to www.harpercollins.com.
