Deliver eBooks & Audiobooks with the Global Leader in Digital Distribution

Popular titles from publishers such as...

Inventory Management

Best Selection

With more than 500,000 digital titles in the most popular formats from hundreds of leading publishers, OverDrive can fill your inventory with the digital titles your customers want. We keep you informed on the latest releases, which you can quickly add to your existing or custom-built retail website. OverDrive can also integrate your own collection, whether your own titles or those you've acquired directly from the publisher.

Best Service

Easily manage your inventory via OverDrive's Web-based admin portal, Content Reserve®. Just log into your secure account page and:

- browse your inventory
- add new content
- export metadata
- view real-time sales reports

...and much more.

Best User Experience

Be confident that your customers will have the best download experience once they purchase a digital book from your site. With seamless DRM-protection (where applicable), users can download and enjoy titles quickly and easily. We support many digital formats, many compatible with both PC and Mac®:

eBooks

- Adobe® Digital Editions (PDF & EPUB)
- Mobipocket™ (PRC)
- Microsoft® Reader (LIT)

audiobooks

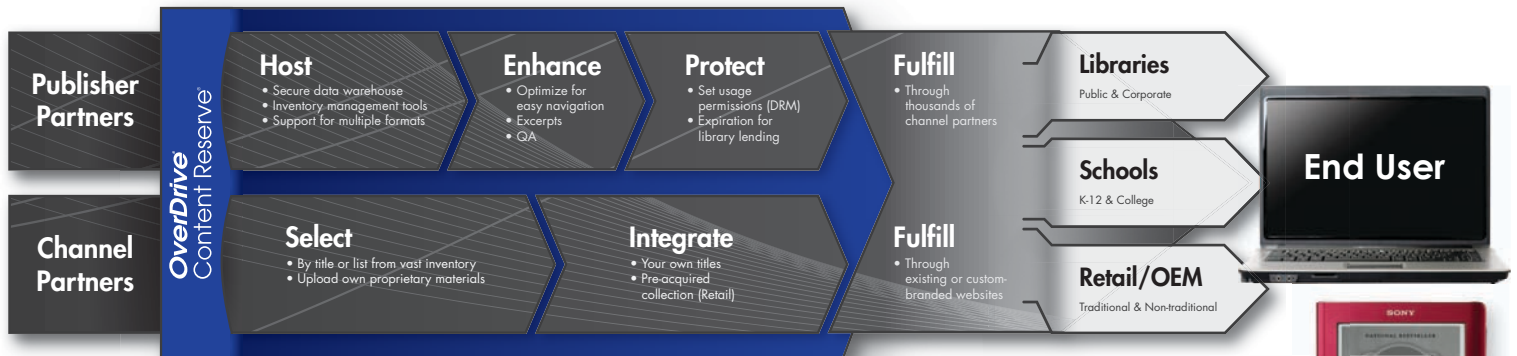

- OverDrive® Media Console™ (WMA & MP3)

Free OverDrive® Media Console™ apps provide a superior experience for navigating and enjoying digital audio content on a PC, Mac®, iPhone®, Android™, BlackBerry®, and Windows Mobile® devices. eBook compatibility is now available on the apps for iPhone® and Android™!

The eRetailer's Choice

We make it easy for you to supply your online store with high-quality digital content. OverDrive, a recognized leader in secure digital content distribution since 1986, stands behind each and every download.

OverDrive Distribution Workflow

Website Development

Custom 'white-label' eRetail website

In addition to supplying you with a vast selection of digital titles or integrating your pre-acquired collection, OverDrive can feed your existing website or build and host a custom website for your eRetail needs. Our MIDAS® eRetail solution is a 'white label' store developed to help you sell audiobooks and eBooks to your online customers with essential eRetail features. And MIDAS requires no additional hardware or software.

Features for your customers

- Built-in shopping cart
- Integrated print/digital catalogs
- Advanced searches
- My bookshelf feature

Features for you

- Upload, protect, and sell your own titles
- Integrate seamlessly with OverDrive's Content Reserve®
- Process credit cards and protect against fraud
- Add gift certificates, coupons, and subscriptions

Why OverDrive?

Unique dedication & focus

Digital media distribution is all we do. As a leader in this field, we are the only firm dedicated solely to helping you maximize your revenue in this important, growing market.

Recognized leader

OverDrive has developed an impeccable reputation as a global distributor and infrastructure provider. With our Content Reserve portal and vast distribution network of 13,000 libraries, schools, and retailers around the world, OverDrive has earned a long list of accolades from satisfied customers.

Experience

With more than 20 years experience in the digital arena, OverDrive has pioneered many advances in the management, protection, and fulfillment of premium digital content.

Proven success

Whether you're a publisher or in the channel, OverDrive can help maximize the value of your digital assets. We've enabled hundreds of publishers and thousands of libraries, schools, and retailers to do just that.

Scalable and flexible

OverDrive solutions can grow as you grow. Because we support the entire manage-protect-fulfill process, you not only can add capacity, you can also add channels.
