Expand your college library with an eReading platform

Looking to continue to build your collection despite changing physical spaces? Want to reach and engage on-the-go students in reading?

College and university libraries of all shapes and sizes are using an eReading platform to meet the challenges of academia’s evolving landscape.

eBOOKS & AUDIOBOOKS TO SERVE ALL READERS

- Academic titles to support all areas of study
- Career & test prep to help prepare students for their next stage in life
- Language learning & foreign language
- Popular fiction & nonfiction titles students want to read

LEADING TECHNOLOGY

- Easy-to-use, modern interface, including highlights, notes & bookmarks
- Intuitive eReading app
- Compatibility with all major devices

EXPERT SUPPORT

- On-demand & live training
- Collection development assistance
- Marketing & promotion
