“

“Curating stories used to be a matter of luxury. Now it’s a matter of necessity – and perhaps even urgency.”

~Justin Whitmel Earley, The Common Rule: Habits of Purpose for an Age of Distraction

A Short How-to Video on Curating

The screenshot shows the OverDrive Marketplace website interface. At the top, there's a navigation bar with the OverDrive Marketplace logo and a search bar. Below the navigation bar, there's a main content area featuring a large banner for "Middle School Must Reads" with a "SHOP NOW" button. Underneath the banner, there's a section titled "New YA (October 2021)" which displays several book covers, including "Kingdom of the Cursed" by Kerri Maniscalco, "An Atlas of the Wasteland" by Benjamin Alire Saunders, and "Vespertine" by Margaret Rogerson. The website also has a sidebar on the left with various navigation options like "Must-haves", "All saved searches", and "Insights".

A decorative border of autumn leaves and acorns surrounds the central text. The leaves are in various colors including yellow, orange, red, and brown. There are also several acorns and a small cluster of red berries.
