Marketing to Teens

- *The instructional videos are a great way to start a hobby. I found a passion for cooking through Kanopy, and though it's not my main hobby, I appreciate the culinary arts more. Kanopy is one of the best informational and entertainment resources I have ever come across! - Anuraag*
- *I love using Kanopy to find new movies and entertainment to keep myself occupied, to learn something new, or even just to binge-watch a new show. My favorite things I discovered on Kanopy are documentaries - I've found more and watched most of them using Kanopy. - Huda*
